

Important documentation explained.

F-1 Visa: The F-1 Visa (academic student) allows one to enter the U.S. as a full-time student at an accredited college, university, seminary, conservatory, academic high school, elementary school, or other academic institution or in a language training program. The student must be enrolled in a program or course of study that culminates in a degree, diploma, or certificate and the school must be authorized by the U.S. government to accept international students.

I-20 Form: The form I-20 (also known as the Certificate of Eligibility for Nonimmigrant [F-1] Student Status) is a [United States Department of Homeland Security](#), specifically Immigration and Customs Enforcement and the [Student and Exchange Visitor Program](#) (SEVP), document issued by SEVP-certified schools (colleges, universities, and vocational schools) that provides supporting information on a student's F-1 status.

Since the introduction of the [Student and Exchange Visitor Information System](#) (SEVIS) run by SEVP, the form also includes the student tracking number (SEVIS ID number) and Sofia's school code. Therefore, an initial student applying abroad will need to obtain an Initial I-20 from Sofia University to apply for the F-1 student visa at a Consulate or Embassy outside the U.S. The applicant will also need to present the I-20 form at the U.S. border along with the F-1 visa, and other supporting documents to legally enter the U.S. as an F-1 student.

DS-160 Online Nonimmigrant Visa Application Form: Form DS-160 is submitted electronically to the Department of State website via the Internet. Consular Officers use the information entered on the DS-160 to process the visa application and, combined with a personal interview, determine an applicant's eligibility for an F-1 nonimmigrant visa.

I-901 SEVIS Fee: The SEVIS I-901 fee is required once for each SEVIS record. Payment of this fee is required prior to the issuance of a visa stamp by a U.S. Consulate or Embassy. If the student is renewing an F-1 visa and has maintained the previous SEVIS number, then the student has already paid the SEVIS I-901 fee. Students transferring to Sofia University from another U.S. institution, will have the SEVIS record transferred and are not required to pay another fee.

I-94 Record: When international students travel to the United States, they receive a Form I-94, "Arrival/Departure Record," at their port of entry. International students who enter the country at an air or seaport are issued an electronic form, while those who enter the country at a land

port are issued a paper Form I-94. An electronic history of a student's I-94 can be retrieved online at <https://i94.cbp.dhs.gov/i94/#/home> by selecting "Get Most Recent I-94".

For each new entry into the U.S.: Students are reminded to download and print a new I-94 record each time they exit and return to the U.S. They must keep the most current printed I-94 record with their passport for their own records. State and federal government agencies will ask to see the I-94 record (for driver's license, social security number, etc.). The I-94 record is important evidence that you, a student, has of being in the U.S. legally, so it is important to always keep a printout of the I-94 record with the passport. On certain occasions, students will be required to submit a copy of the I-94 record to the DSO at Sofia University.
