

Housing

Sofia University's International Student Office has compiled a list of resources to assist international students in their search for off-campus housing. We understand that finding safe, comfortable, and affordable housing can be challenging. Agencies and websites are listed below to assist you in finding housing independently or through homestays and apartments.

Note:

Please update us with your U.S address and any changes to it as soon as possible for SEVIS record updates. Email dso@sofia.edu for address updates.

Sofia University does not endorse any agency or website listed below. This information is for informational purposes only. Students are advised to conduct their own research before entering into any contract.

Home-Stay Placement Agencies

For students arriving in the U.S for the first time who aim to improve English language skills and experience cultural integration, homestays may be more beneficial.
